Linda Byrne
THE WEDDING ILLUSTRATOR

Linda Byrne is a multi-award winning illustrator, inspired by a timeless love of visual storytelling, Bauhaus design, bright colours and animals. With a passion for classical hand drawn craftsmanship, she specialises in live event illustration by attending events and creating artwork on the spot.

Working from her picturesque dollhouse studio in County Kildare, with her loyal poodle Papa Chico always by her side, she spends her days crafting an assortment of worlds from spontaneous sketches to wistful watercolours, dreaming up fanciful lands where animals talk and adults eat only chocolate for breakfast, capturing the art of visual storytelling, revolving around a whimsical style with a sprinkle of retro glamour.

Linda has collaborated with international clients including Winsor & Newton, TK Maxx, L'Oreal and Kiehl's as well as live sketching at events in Primark, Facebook and Google. Recently signed to the Plum Pudding Illustration Agency in the UK for Children's picture book illustrations, she also has a product line of beautifully illustrated hardback notebooks and greeting cards, which are available on her website.

With the support of the ACORNS Plus programme in 2020, Linda re-branded her live wedding illustration offering and launched a dedicated website to her live drawing talent. This is fondly known to brides and grooms as "*The Wedding Illustrator.*"

Being connected to a network of ACORNS participants locally allows Linda to easily seek out advice and support, especially in times of change & uncertainty.

Providing early stage female entrepreneurs, living in rural Ireland, with the knowledge, support and networking opportunities to meet and even exceed their current aspirations.
