A trip to a bead shop in Dublin in 2011 resulted in Kay Lyng designing and creating a unique necklace for a friend and now West End show stars have been spotted wearing her jewellery.

Kay had been working full time in financial services in Dublin for several years while, on the side, she sold her designs at crafts fairs around the country. Eventually, The Kilkenny Design Centre and Kilkenny Shop and more shops across Ireland, began to stock her jewellery.

Following a move home to Clomantagh, Co Kilkenny in 2018, Kay left her job and decided to commit full time to her business, K Kajoux Jewels, and she hasn't looked back.

K Kajoux Jewels are all designed and hand-made by Kay at her studio in the hills of Clomantagh, using semi-precious stones, Swarovski crystals and freshwater pearls.

Since focusing on her business, Kay has won Craft Producer of the Year in 2019 and 2021 from the Kilkenny Chamber of Commerce. K Kajoux can be found in over 30 stockists nationwide and on www.kkajoux.com.

Kay has expanded her team to include two production assistants and marketing support which is allowing her to focus on international expansion. You can see a range of fabulous women wearing K Kajoux on their social media channels @kkajoux.

Providing early stage female entrepreneurs, living in rural Ireland, with the knowledge, support and networking opportunities to meet and even exceed their current aspirations.
